

Metro Family & Friends

We have reserved rooms at the following hotels for the 2008 season. Your name will be on the parent room list at each hotel for the days and type of room you requested on.

You are required to contact each hotel to confirm and guarantee your room reservations with your credit card by **May 23, 2008**. The hotel will release any reservations not confirmed and guaranteed by that date. You may find it difficult to acquire rooms after that date, so please confirm your hotel reservations promptly.
